TV Licensing  
Darlington  
DL98 1TL

Dear Sir/Madam,

On xx/xx/xxxx I cancelled the TV License for this property in writing. I have subsequently confirmed using your website that I do not require a TV license as we do not watch live broadcast television or use iPlayer.

On completing these notifications in the manner that you requested, I noted that you stated that you may visit the property. Given that I have now confirmed to you on three separate occasions that I do not require a TV license I require that you do not visit my property and accordingly I withdraw from TV Licensing, its employees and its agents any and all rights of access to this property (implied or otherwise).

Furthermore, given my repeated confirmations to you, I require that you limit any and all future correspondence to written confirmation of receipt of this letter. I believe that three confirmations that I am not committing an offence when none is legally required is an elegant sufficiency and no further correspondence will be entered into.

Sincerely,

[Name]
